

Name: \_\_\_\_\_

### Y5 HOME LEARNING ACTIVITY

**SUBJECT:** Science

**TASK:** Find or create a way of remembering the planets in our solar system and their order from the sun. Will you create a mnemonic like we do for because (big elephants can always use small exits), create a song or rap or will you draw pictures to remind you?

**Challenge:** Research one of the planets in detail. How large is it? How many moons does it have? How far away is it from the sun?

**DATE set:**

22.09.23

**DATE due:**

27.09.23

**Useful websites:**

**KEY VOCABULARY:** (This should be discussed with an adult at home and used in your home learning if possible)

<b>Solar System</b>	<b>space</b>	<b>Galaxy</b>	<b>orbit</b>
The sun	Dwarf planet	Milky Way	moon

**Planets**

- Mercury
- Venus
- Earth
- Mars
- Jupiter
- Jupiter
- Saturn
- Uranus
- Neptune
