

Year 4 Home Learning Activity Summer 1 Week 1

This week's subject: Art

DATE set: 17.04.26

DATE due: 22.04.26

A reminder, in addition to this task, you should also be reading at least 4 times a week at home and practising Times Tables, using TTRS throughout the week. If you would like to practise Spelling, they are in the Year 4 area on the school website.

Homework will be given out on a Friday and is to be handed in on a Wednesday.

MATHS TASK:

Use the link below to practise your times tables. This website mimics the Multiplication test we will be taking in May. You will get 6 seconds to answer each question so it's important that we learn how to type our answer quickly. Try to practise for at least 10 minutes per day.

www.timestables.co.uk/multiplication-tables-check/

We have learnt about patterns in Art, including repeating patterns and tessellations.

KEY VOCABULARY: *(This should be discussed with an adult at home and used in your home learning if possible)*

Tessellation: *an arrangement of shapes closely fitted together, especially of polygons in a repeated pattern without gaps or overlapping.*

TASK: Use any materials you have at home to create a tessellating pattern
