

SPRING TERM

Home Learning Opportunities

Nursery

Below is a selection of home learning opportunities.

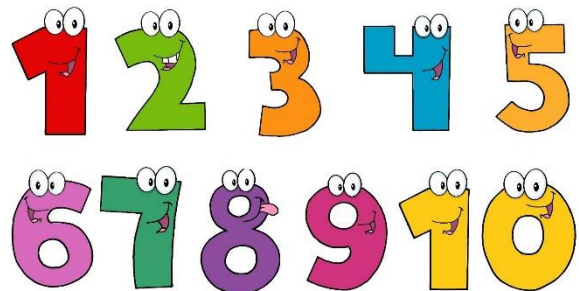

In Nursery we do not have set topics. These are optional. If you wish to complete some of these activities and post the completed activities onto Tapestry.

You could...

- Go on a walk, can you see the season starting to change?
 - Can you talk to your adult about what you can see?
 - Can you draw a picture of what you have found?

- Can you find any bugs in your outdoor area? What would be a silly sound for that bug to make?
- Can you teach your favourite nursery rhyme to your friends? Add some actions and musical instruments as you sing.
- Number Walk
 - Can you go on a walk and look for lots of different numbers?
 - Can you find them in lots of different ways?
 - Can you make a poster of what you have found? Or you could take photographs of what you have found.

Go to our class page, for more things to do at home!
